No. P. 8/D of 1955.

OFFICE OF THE SURGEON-GENERAL  
WITH THE GOVERNMENT OF BOMBAY :  
Bombay, 10th June 1955.

From

DR. D. P. SETTNA, F.R.C.S.E.,

The Surgeon-General with the Government of Bombay,  
Bombay;

To

THE SECRETARY TO GOVERNMENT,

Local Self-Government and Public Health Department,  
Bombay.

*Subject.*—Annual Report on Mental Hospitals for the year 1954.

I submit the Annual Report on the Mental Hospitals in the State of Bombay for the year 1954.

GENERAL.

2. During the year 1954, all the Mental Hospitals were overcrowded. The actual population in all the Mental Hospitals in the first week of January 1954 was 4,036 against the sanctioned accommodation of 2,354. During the year, 585 patients were discharged as "cured", 409 as improved. There were 1,087 cases under observation in the various Mental Hospitals. The total number of criminal insanes confined in Mental Hospitals was 195.

The total receipts amounted to Rs. 6,54,428. The gross expenditure on maintaining the Mental Hospitals was Rs. 34,08,896. No new major work was sanctioned during the year under report. Facilities for indoor and outdoor games were provided. Facilities for treatment on modern lines such as Insulin Shock Therapy and Corosol Convulsive Therapy are given at the majority of the Mental Hospitals. The recommendations of the Committee appointed by Government to examine and report on the working of the Government Mental Hospitals in the State are under consideration.

BUILDINGS.

3. *Major Works.*—Government have administratively approved the work of construction of two new Kitchens at the N. M. Mental Hospital, Thana, at an estimated cost of Rs. 26,100.

4. *Minor Works.*—Minor works costing about Rs. 18,526 were sanctioned at the Mental Hospitals, Yeravda, Thana, Ahmedabad, Ratnagiri, Dharwar and Baroda during the year under report. The buildings of the Mental Hospitals are in fairly good state of repairs.

5. *Water Supply.*—The Water supply was quite satisfactory except at the following Mental Hospitals—(1) Scarcity of water was felt at the Mental Hospital, Ratnagiri, during the summer viz. from March to May due to the limited supply of water from Municipal Water works and also due to the drying up of the Hospital wells. (2) Water is obtained from the Municipal pipe line at the Mental Hospital, Ahmedabad. It is good and sufficient. The water supply for garden and lawns and for agricultural purposes is by an electric pump which was not sufficient. (3) Construction of a new well at Mental Hospital, Dharwar, was completed and put into use. Larger number of men are consequently spared from the water party for the agricultural work. Sufficient water is still not available for gardening as not more than 1,500 gallons of water is drawn by the manual labour. (4) Water supply at mental hospital, Baroda, was somewhat better than before as an electric motor pump was installed on the well of this Hospital.

6. *Accommodation.*—Over-crowding at all the Mental Hospitals except Mental Hospital, Baroda, continued throughout the year as can be seen from the sub-joined table showing the approved scale of accommodation and the actual population in the first week of January 1954.

Mental Hospitals.	Sanctioned accommodation in first week of January 1954.			Actual population in the first week of January 1954.		
	Male.	Female.	Total.	Male.	Female.	Total.
Thana ...	250	140	390	601	500	1,101
Ratnagiri ...	134	42	176	214	58	272
Yeravda ...	804	443	1,247	1,091	718	1,809
Ahmedabad ...	206	61	267	320	120	440
Dharwar ...	138	61	199	243	85	328
Baroda ...	50	25	75	57	29	86
Total —	1,582	772	2,354	2,526	1,510	4,036

There were thus 168·2 patients (944 males and 738 females) in excess of the sanctioned accommodation.

7. *Employment on Occupations.*—At all the mental hospitals, suitable patients were employed on various occupations such as gardening, weaving, tailoring, carpentry, broom and bidi making, cooking, ground-levelling, compound cleaning, cleaning wards and utensils, coir-mat making, grinding and poultry farm work, etc. The daily average number of patients employed under occupational

Therapy in the various Mental Hospitals during the year under report was 1,778.5 and the percentage of the same to the daily average works out to be about 43.

8. *Amusements*.—In-door and out-door games were provided to the patients at the Mental Hospitals. The games included carrom, pingpong, cards, ring-tennis, Volley-ball, cricket, etc. Cinema shows, Magic shows, radio programmes, gramophone records, bhajans, physical feats, etc. were arranged and were greatly appreciated by patients. Patients were provided with tobacco, bidies, cigarettes, etc. Some newspapers, magazines, periodicals and books were supplied to literate patients. On important festival days sweets and fruits were distributed among the patients and special dishes were included in their meals. An amount of Rs. 3,572 was spent on amusements and recreation of patients during the year under report.

9. *Visitors*.—The official visitors at all the Mental Hospitals were regular in their attendance and nothing special was reported by any of them.

10. *Parole*.—The system of sending patients on parole has to some extent relieved the congestion at the Mental Hospitals. During the year under report, 930 patients (584 males + 346 females) took advantage of it as compared with 1,026 patients in previous year.

11. *Special Accommodation*.—The scheme for the provision of special accommodation and facilities to patients who were prepared to pay for such additional amenities introduced at the Central Mental Hospital, Yeravda, continued to be appreciated by the public.

12. *White House*.—White House, a bungalow about 2 miles away from the main Mental Hospital, Yeravda, was rented for the patients and was also utilised to keep better class of patients.

13. *Acknowledgments*.—The Department expresses its thanks to all bodies and individuals who have extended their generosity towards providing additional comforts for patients in the various mental hospitals.

#### STATEMENT No. I.

14. *Population*.—The following table shows the admissions, population and the daily average strength of patients in the Mental Hospitals during the years 1953 and 1954 :—

	1953.			1954.		
	Male.	Female.	Total.	Male.	Female.	Total.
Remaining on 1st January ...	2,449	1,491	3,940	2,526	1,510	4,036
Total admissions during the year.	1,813	945	2,758	1,706	927	2,633
Total population ...	4,262	2,436	6,698	4,232	2,437	6,669
Daily average strength ...	2,475.51	1,507.46	3,982.97	2,602.8	1,532.9	4,135.7

15. *Discharges and Cures.*—During the year under report, 585 patients were discharged as “Cured”, 409 as “Improved”, 121 as “Not improved” and 1,040 as “Otherwise” (which includes cases discharged on parole). The ratio of cured to daily average strength was 14.1 as against 17.3 in 1953.

16. *Sickness and Mortality.*—The daily average number of sick treated in Mental Hospitals was 346.1 as against 353.01 in the previous year. The percentage of sickness to the daily average strength was 8.4 as against 8.8 in 1953. There were no cases of any epidemic diseases in the Mental Hospitals during the year under report.

17. During the year 1954, the total number of deaths at the Mental Hospitals was 279 as against 389 in 1953. The percentage of deaths to the daily average strength was 6.7 as against 9.8 in 1953. The following table shows the percentage of deaths to the daily average strength at each of the Mental Hospitals during the year 1954 and the previous year :—

Mental Hospitals.			1953.			1954.		
			Male.	Female.	Total.	Male.	Female.	Total.
Tbana	...	...	13.8	13.5	13.7	11.58	10.28	10.88
Ratnagiri	...	...	5.8	8.3	6.4	5.2	9.8	6.2
Yeravda	...	...	9.15	8.45	8.87	5.65	4.73	5.30
Dharwar	...	...	6.5	4.7	6.0	4.4	3.5	4.2
Ahmedabad	...	...	5.8	19.5	9.6	3.5	9.1	4.9
Baroda	...	...	...	3.4	1.1	3.1	6.8	4.3

The chief causes of deaths among the inmates of the Mental Hospitals were T. B. Lungs 39, General debility and Anæmia 102, General debility with diarrhoea 7, Dysentery 11.

#### STATEMENT No. II.

18. In the year 1954, 1,087 cases were under observation at the various mental hospitals, as compared with 1,262 in 1953. Out of these 1,087 cases, 869 were certified and admitted and 96 were released as un-certifiable as compared with 1,096 and 105 respectively in the previous year.

## STATEMENT No. III.

19. The total number of criminal insanes confined in the Mental Hospitals was 195 (141 males and 54 females), as compared with 193 (158 males and 35 females) in the previous year. The daily average strength was 118·29 in 1954 as compared with 108·0 in 1953. Of these 71 were admitted under section 466 of the Criminal Procedure Code, 6 under 471 (*ibid*) and 14 under section 30 (1) of the Prisoners' Act, 1900.

## STATEMENT No. V.

20. *Age of insanes admitted.*—According to the age groups, the patients admitted for treatment to the Mental Hospitals during the year under report were as shown below :—

Under 20 years	...	...	...	270
Between 21 and 40 years	...	...	...	1,786
Between 41 and 60 years	...	...	...	529
Upwards of 60 years	...	...	...	48
				—
			Total	2,633
				—

## STATEMENT No. VI.

21. *Forms of Mental Disorder.*—The principal forms of Mental disorder treated during the year under report were :—

Mania	...	...	...	781
Maniac Depressive Insanity	...	...	...	731
Melancholia	...	...	...	325
Schizophrenia (including Dementia Præcox)	...	...	...	2,545
Neurosis and Psychoneurosis	...	...	...	49
Mental Deficiency	...	...	...	830
Epilepsy and epileptic Insanity	...	...	...	315

## STATEMENT No. VII.

## 22. Probable causes of insanity amongst patients :—

Mental stress	...	...	...	903
Toxins	...	...	...	69
Previous attacks	...	...	...	276
Hereditary predisposition	...	...	...	182
Epilepsy	...	...	...	127
Bodily illness	...	...	...	94
Old age	...	...	...	99
Syphilis	...	...	...	82

## STATEMENT No. VIII.

23. *Cash Accounts.*—Receipts from paying patients during the year under report amounted to Rs. 5,34,436 as against Rs. 5,35,642 in 1953. The value of stores received from Manufacturing Departments less the cost of raw materials was Rs. 82,170 and miscellaneous receipts amounted to Rs. 37,822. The total receipts under three heads amounted to Rs. 6,54,428 as against Rs. 6,29,121.

24. *Expenditure.*—The gross expenditure on maintaining the Mental Hospitals during the year under report amounted to Rs. 34,08,896 as against Rs. 33,00,837 in 1953. Deducting the receipts from the actual expenditure, the net cost to Government during 1954 was Rs. 21,00,040 as against Rs. 20,42,595 in 1953.

25. The following table shows the average cost per patient per annum in the Mental Hospitals during the year under report and the previous year :—

Mental Hospitals.			1953.	1954.
			Rs.	Rs.
1.	Thana	...	787	872
2.	Ratnagiri	...	582	600
3.	Yeravda	...	940	871
4.	Dharwar	...	568	560
5.	Ahmedabad	...	675	672
6.	Baroda	...	1,006	969

The amount spent on original works (Major and Minor) at the Mental Hospitals, are excluded from the expenditure in calculating the cost per patient per annum.

26. A summarised report of the Central Mental Hospital, Yeravda, is attached as an appendix to this report.

D. P. SETHNA,  
Surgeon-General with the Government of Bombay.

## ANNUAL REPORT OF THE CENTRAL MENTAL HOSPITAL, YERAVDA, FOR THE YEAR 1954.

*Administration.*—Shri I. K. Mujawar, M.B.B.S., B.M.S., Class I, continued to hold the post of the Superintendent at the Central Mental Hospital, Yeravda, Poona 6, throughout the year under report.

*Accommodation.*—On the 1st January 1954, there were 1,809 patients as against 1,734 patients on the same date of the previous year.

The daily average number in residence was 1,870·21 as against 1,758·17 for the previous year. The number in residence on the 31st December 1954 was 1,880.

The authorised total accommodation at the Central Mental Hospital, Yeravda, Poona 6, is for 1,247 patients as under :—

		Male.	Female.	Total.
1. Europeans	...	141	74	215
2. Indian Section I	...	124	127	251
3. Indian Section II	...	406	178	584
4. Acute Section	...	34	11	45
5. Infirmary	...	79	53	132
6. White House	...	20	...	20
	Total ...	<u>804</u>	<u>443</u>	<u>1,247</u>

Due to the abnormal increase in the population, it was not possible to accommodate patients comfortably during the year under report. The existing blocks were always overcrowded, as on an average 623·21 patients were over and above the sanctioned strength of accommodation.

*Admissions.*—Admission during the year under report were 649 male and 387 female (total 1,036), excluding 3 male and one female, admitted after parole. The total admission is 1,040 as against 1,013 of the previous year.

The total number of patients treated during the year under report was 2,849 as against 2,747 of the previous year.

*Discharges.*—The total number of discharges during the year under report was 870. Out of this 188 were discharged “as recovered” under section 31 by the Visitors’ Committee, 681 as improved or otherwise under section 33A and one as unimproved under section 32 of the Indian Lunacy Act.

*Deaths.*—There were 99 deaths (64 males and 35 females) during the year under report. The rate of death worked out for the year 1954, on the basis of the average number of daily residence was 5.80 per cent. as against 8.87 per cent. of the previous year i.e. it was appreciably decreased.

*Health of Patients.*—The general health of the patients was satisfactory. There was no epidemic during the year 1954.

*Occupation Therapy.*—The daily number of patients, who were occupied in different spheres such as Hospital Garden, Kitchen, Ward Work, Weaving and Tailoring Department and Carpenter's Workshop during the year under report was 478.00 male and 218.93 female. Some suitable female patients were encouraged to do knitting and needle work.

*Special Therapies.*—The special therapies like Insulin, Electric convulsive therapy, Leucotomy operations, Carbon-dioxide inhalation and Psychological treatment were given to patients and the number of patients treated with different therapies is as under :—

	Male.	Female.	Total.
1. Insulin ...	83	68	151
2. Electric convulsive therapy .	240	118	358
3. Leucotomy operations ...	28	20	48
4. Carbon dioxide inhalation treatment.	2	...	2

Psychological treatment was given to suitable cases which included Narco-analysis and Narco-therapy and individual and group Psychotherapy.

*Amusements.*—There are Recreation Clubs in the Male and Female Sections for the patients. Patients collect in the recreation rooms and read newspapers, periodicals and magazines. They listen to radio programmes. There are facilities for playing Billiards and other indoor games. Twice a week, on Tuesdays and Thursdays clubs are held in the evening. Patients have social gatherings, when more than 100 patients take part in the Club. Besides indoor games, some patients took part in out-door games such as Cricket and Volley Ball.

The annual General Sports of Patients and the staff of the Hospital for year 1954, were held on 16th January 1954, under the presidentship of Shri D. D. Mogul, B.A., LL.B., Advocate, Poona. A number of patients actively took part in the sports activities like Wheel Barrow Race, Thread and Needle Race, Sack Race, Three-legged Race, Relay Race, etc. Sweets and fruits were distributed to the patients on the function.

The Mayor of Poona Municipal Corporation and other well known guests from Poona were present on the day.

On important festival days of various communities, sweets and special dishes were served to the patients.

The number of patients that took part in games etc. is as under :—

1. Cinema shows are arranged in the Hospital itself and the total number of patients attended the shows during the year 1954 is 4,037 female and 12,800 male.
2. About 35 per cent. of the patient took part in games and listening to radios.
3. The number of patients that went out in Bus drives during the year 1954 is 337 female and 624 male.

A total expenditure of Rs. 1,240-13-6 was incurred on amusements from the discretionery grants of the Hospital during the year 1954.

*Visitors.*—The attendance of the Visitors was satisfactory. The Social Workers visited the Hospital once a week.

The appointment of Psychiatric Social Worker has been continued. The work of investigation of the Social histories of the patients and rehabilitation of some improved patients of the Hospital, has been carried out satisfactorily.

*Acknowledgment.*—The Hospital is indebted to the Management of the Bombay Chronicle Daily and Sunday Edition for the supply of copies of their issued to the reading room of Hospital free of charge.

Acknowledgment is also due to Shri A. C. Patel and Shri P. S. Gazdar, Wellknown Parsee Gentlemen of Poona and Bombay, respectively for organising Annual Sports and arranging social gatherings every year and distributing sweets to patients.

*White House.*—White House, a bungalow about 2 miles from the main Hospital, is continued to be rented and has been utilised to keep suitable class and ordinary patients.

The Republic Day, the World Health Organisation Day and the B. C. G. Vaccination Day were observed by holding meetings of the staff and patients of the Hospital.
